

Program

| DAY 1, Thursday 3 rd October | | | | | | |
|---|---------------------|---|---------------------|---|---------------------|-----------------------------------|
| 7:00-8:00 | | Registration | | | | |
| Time | Length (min) | Plenary session | | | | |
| 8:00-8:15 | 15 min | Opening Ceremony Welcome from Dr Ravi Reddy, Dr Zita Makra, Minister Sándor Fazekas | | | | |
| 8:15-8:30 | 15 min | Dr David Hodgson inducted as the new President of WEVA & acknowledgement of WEVA board members exiting board | | | | |
| 8:30-8:40 | 10 min | Merial Applied Research Award presented | | | | |
| 8:40-9:30 | 50 min | Presentation by winner of the Merial Applied Research Award – to be announced | | | | |
| 9:30-10:30 | 60 min | Infectious Disease News Hour: Drs Des Leadon and Conny Herholz | | | | |
| 10:30-11:00 | 30 min | Coffee break and Exhibition hall | | | | |
| 11:00-12:00 | 60 min | State of the Art: Dr Louise Southwood: Colic – Lessons from the past and expectation for the future, what's new? | | | | |
| | | <i>MODERATOR: Dr Tim Greet</i> | | | | |
| Time | Length (min) | Session 1 | Length (min) | Session 2 | Length (min) | Session 3 |
| | | Reproduction | | Colic | | Abstracts |
| 12:00-12:30 | 30 min | Patrick McCue: The problem mare – Ovarian issues | 30 min | Péter Sótonyi: Topographic anatomy of a standing horse's abdominal organs | | 4 × 15 minutes |
| 12:30-13:00 | 30 min | Patrick McCue: The Problem Mare – Uterine issues | 30 min | Gábor Bodó: Laparoscopy: nephrosplenic space closure | | |
| | | <i>MODERATOR: Dr Ravi Reddy</i> | | <i>MODERATOR: Dr Warwick Bayly</i> | | <i>MODERATOR: Dr Harry Werner</i> |
| 13:00-14:00 | 60 min | Lunch | | | | |

| | Musculoskeletal | | Competition | | Infectious disease & Parasitology | |
|-------------|------------------------------------|---|------------------------------------|--|--|---|
| 14:00-14:30 | 30 min | Sue Dyson: Saddle slip may be an indicator of hindlimb lameness | 30 min | Warwick Vale: Doping and medication control | 30 min | Mark Crisman: Equine tick borne diseases including Lyme Disease |
| 14:30-15:00 | 30 min | Stefan Witte: Platelet rich plasma use in superficial digital flexor tendon (SDFT) injury | 30 min | David Hodgson: Management of emergency medical conditions at competition | 30 min | Neimar Roncati: Piroplasmosis: an update |
| 15:00-15:30 | 30 min | Laurie Goodrich: Stem cell use in tendon and ligament injury | 30 min | Des Leadon: Transportation of horses | 30 min | Róbert Farkas: Vectors and vector-borne infections of horses in Hungary |
| 15:30-16:00 | 30 min | Sue Dyson: Carpal injuries in sport horses | 30 min | Tim Greet: Management of acute trauma at competition | 30 min | Ekaterina Zabegina: Update on vaccines used around the world |
| | <i>MODERATOR: Dr Richard Corde</i> | | <i>MODERATOR: Dr Des Leadon</i> | | <i>MODERATOR: Dr Neimar Roncati</i> | |
| 16:00-16:30 | 30 min | Coffee break and Poster session | | | | |
| | Musculoskeletal | | Respiratory | | Abstracts | |
| 16:30-17:00 | 30 min | Jörg Auer: Management and treatment of long bone fractures | 30 min | Anne Courouce: Endoscopy at rest | 8 × 15 minutes | |
| 17:00-18:00 | 60 min | Tim Greet: Angular limb and flexural deformities – an overview | 60 min | Eric Parente: Diagnosis of upper respiratory abnormalities using dynamic endoscopy: treadmill vs. overground endoscopy | | |
| 18:00-18:30 | 30 min | Jörg Auer: Management of fractures of the vestigial MC/MT bones | 30 min | Eric Parente: Nasal discharge | | |
| | <i>MODERATOR: Dr Gary Norwood</i> | | <i>MODERATOR: Dr Anne Courouce</i> | | <i>MODERATOR: Dr Siraya Chunekamrai</i> | |
| 18:40-20:00 | 80 min | Welcome cocktail reception at Budapest Congress Center | | | | |

DAY 2, Friday 4th October

| Time | Length (min) | Session 1 | Length (min) | Session 2 | Length (min) | Session 3 |
|-------------|--------------|---|--------------|---|--------------|--|
| | | Gastrointestinal | | Cardio-Respiratory | | Competition |
| 8:00-8:30 | 30 min | Bianca Schwarz: Equine grass sickness | 30 min | Stefan Pronost: Horse flu: an update on equine influenza virus | 30 min | Annamária Nagy: A global study on international endurance rides |
| 8:30-9:00 | 30 min | Anthony Blikslager: Triaging a horse with colic | 30 min | Eric Richard: Biomarkers and risk factors of lower airway inflammation (IAD) | 30 min | Dominik Burger: International Endurance Racing: quo vadis? |
| 9:00-9:30 | 60 min | Louise Southwood: Expectations following colic surgery | 30 min | Michael Hewetson: Clinical examination of the horse with cardiovascular disease and interpretation of murmurs | 30 min | József Tóth: Treatment of recurrent ocular diseases in sport horses with consideration to doping |
| 9:30-10:00 | | | 30 min | Michael Hewetson: Introduction to electrocardiography – recognition of common abnormalities | 30 min | Abstracts in topics consistent with competition session 2 x 15 minutes |
| | | <i>MODERATOR: Dr Gábor Bodó</i> | | <i>MODERATOR: Dr C.J.(Kate) Savage</i> | | <i>MODERATOR: Dr David Hodgson</i> |
| 10:00-10:30 | 30 min | Coffee break and Exhibition hall | | | | |
| | | Ophthalmology | | Reproduction | | Abstracts |
| 10:30-11:00 | 60 min | Ann Dwyer: Ophthalmologic examination for the ambulatory veterinarian | 30 min | Patrick McCue: The problem mare: reproductive evaluation | | 10 × 15 minutes |
| 11:00-11:30 | | | 30 min | Sandro Barbacini: Frozen semen processing and quality control | | |

| | | | | | | | |
|-------------|--------|--|----------------------------|---|-------------|--|--|
| 11:30-12:00 | 30 min | Bernhard Spiess: Equine Recurrent Uveitis (surgical management: vitrectomy/CsA implants) | 30 min | Patrick McCue: Hormone Therapy in the Mare | (Abstracts) | | |
| 12:00-12:30 | 30 min | Ann Dwyer: Corneal problems in horses | 30 min | Patrick McCue: Assisted reproduction in the mare including embryo transfer and intracytoplasmic sperm injection | | | |
| 12:30-13:00 | 30 min | Bernhard Spiess: Non-ulcerative keratitis (IMMK, the role of EHV etc.) | 30 min | Giorgio Ricardi: Rectovestibular Injuries in the Mare | | | |
| | | <i>MODERATOR: Dr Zita Makra</i> | | <i>MODERATOR: Dr Sandro Barbacini</i> | | <i>MODERATOR: Dr Warwick Bayly</i> | |
| 13:00-14:00 | 60 min | Lunch | | | | | |
| | | Respiratory | | Neonatal | | Young WEVA/Neurology | |
| 14:00-14:30 | 30 min | Eric Parente: Recurrent laryngeal neuropathy: the latest summary | 30 min | Nóra Nógrádi: Assessment and stabilization of the compromised neonatal foal | 30 min | Stefan Pronost: Equine herpesvirus myeloencephalopathy: an update on EHV-1 | |
| 14:30-15:00 | 30 min | Anne Courouce: Poor performance in the horse | 30 min | Nóra Nógrádi: Ultrasonographic examination of the neonatal foal (chest, abdomen, umbilicus) | 30 min | Warwick Bayly: Basic Neurologic examination | |
| 15:00-15:30 | 30 min | Vinzenz Gerber: Recurrent Airway Obstruction (RAO) | Infectious Diseases | | 30 min | Harry Werner: How to perform basic nerve blocks in the field | |
| | | | 30 min | Mark Crisman: West Nile Virus (WNV) – What’s new in the horse? | | | |
| 15:30-16:00 | 30 min | Eric Parente: Guttural pouch disease: an update | 30 min | Orsolya Kutasi: WNV outbreaks in Europe | 30 min | Nóra Nógrádi: How to collect spinal fluid in the horse | |
| | | <i>MODERATOR: Dr Vinzenz Gerber</i> | | <i>MODERATOR: Dr Ekaterina Zabegina</i> | | <i>MODERATOR: Dr Neimar Roncati</i> | |
| 16:00-16:30 | 30 min | Coffee break and Poster session | | | | | |

| | Gastrointestinal | | Endocrinology | | Abstracts |
|---------------------------|--|--|-------------------------------------|--|------------------------------------|
| 16:30-17:00 | 30 min | Anthony Blikslager: Medicating horses with colic | 30 min | Zoltán Bakos: Pituitary pars intermedia dysfunction (PPID) in horses: practical hints | 6 × 15 minutes |
| 17:00-17:30 | 30 min | Louise Southwood: Management of impaction | 30 min | C.J. (Kate) Savage: Pituitary pars intermedia dysfunction (PPID) versus Equine Metabolic Disease (EMS) – What’s the difference? Part 1 | |
| 17:30-18:00 | 30 min | Barbora Berzdekova: Equine gastric ulcer syndrome (EGUS) | 30 min | Vinzenz Gerber: Discussion of clinical cases of PPID & EMS Part 2 | |
| | <i>MODERATOR: Dr Zita Makra</i> | | <i>MODERATOR: Dr Vinzenz Gerber</i> | | <i>MODERATOR: Dr David Hodgson</i> |
| 18:30 - late night | Horse Show and Dinner at Lázár Equestrian Park (Optional program) | | | | |

DAY 3, Saturday 5th October

| Time | Length (min) | Session 1 | Length (min) | Session 2 | Length (min) | Session 3 |
|--------------------|---------------------|---|---------------------|--|---------------------|--|
| | | Musculoskeletal | | Welfare | | Abstracts |
| 8:00-8:15 | 30 min | Sue Dyson: Proximal injuries of the accessory ligament of the DDFT | 45 min | Derek Knottenbelt: Results of equine tumor treatment | 8 × 15 minutes | |
| 8:15-8:30 | | | | | | |
| 8:30-8:45 | 30 min | Laurie Goodrich: Recent advances in arthritis treatments- a summary | 30 min | Siraya Chunekamrai: Equine welfare change through human behavioural change | | |
| 8:45-9:00 | | | | | | |
| 9:00-9:15 | 30 min | Laurie Goodrich: Antimicrobial delivery by intrasynovial catheterization | 45 min | Derek Knottenbelt: Ocular pathology in working equids | | |
| 9:15-9:30 | | | | | | |
| 9:30-9:45 | 30 min | Sue Dyson: Lameness case discussions | | | | |
| 9:45-10:00 | | | | | | |
| | | <i>MODERATOR: Dr Ravi Reddy</i> | | <i>MODERATOR: Dr Siraya Chunekamrai</i> | | <i>MODERATOR: Dr Richard Corde</i> |
| 10:00-10:30 | 30 min | Coffee break and Exhibition hall | | | | |
| | | Surgery | | Respiratory | | Anesthesiology/Neurology |
| 10:30-11:00 | 30 min | John Walmsley: Introduction to Arthroscopy | 60 min | Eric Parente: Laser Surgery in the upper airway | 30 min | Claudia Spadavecchia: Pain recognition |
| 11:00-11:30 | 30 min | Laurie Goodrich: Advanced Arthroscopy | | | 30 min | Kata Veres: Perioperative pain treatment |
| 11:30-12:00 | 60 min | John Walmsley: Wobblers: A practical approach to the diagnosis and a review of surgical treatment | 30 min | Eric Parente: Evaluation and treatment of sinus disease | 30 min | Claudia Spadavecchia: Neuropathic pain |
| 12:00-12:30 | | | 30 min | Eric Richard: Diagnostic methods for exercise-induced pulmonary haemorrhage (EIPH) | 30 min | Kata Veres: Managing emergencies in equine anaesthesia |

| | | | | | | |
|-------------|---------|--|---------------------|--|---|--|
| 12:30-13:00 | 30 min | Mark Crisman: Non-steroidal anti-inflammatory drugs (NSAIDs): an update | 30 min | Michael Hewetson: Strangles – New insights into an old disease | 30 min | Zita Makra: Use of acupuncture to relieve ocular pain |
| | | <i>MODERATOR: Dr Tim Greet</i> | | <i>MODERATOR: Dr Harry Werner</i> | | <i>MODERATOR: Dr Orsolya Kutasi</i> |
| 13:00-14:00 | 60 min | Lunch | | | | |
| | | Plenary session | | | | |
| 14:00-16:00 | 120 min | J. M. Denoix: Live horse ultrasonographic demonstration | | | | |
| | | <i>MODERATOR: Dr Anne Courouce</i> | | | | |
| 16:00-16:30 | 30 min | Coffee break and Poster session | | | | |
| | | Session 1 | Length (min) | Session 2 | Length (min) | Session 3 |
| | | Musculoskeletal | | Gastrointestinal | | Internal Medicine |
| 16:30-17:00 | 60 min | Stefan Witte: Anatomy and clinical disease of the less commonly affected tendon sheaths and bursae | 30 min | Louise Parente (Southwood): Making the decision – surgical versus medical management | 30 min | Michael Hewetson: Diagnostic approach to anemia in the horse |
| 17:00-17:30 | | | 30 min | Nóra Nógrádi: Lawsonia intracellularis – an emerging disease of weanling foals | 30 min | Eric Richard: How to interpret the microbiological investigation of respiratory fluids |
| 17:30-18:00 | 30 min | Stefan Witte: Clinical relevance of using Kinematics | 30 min | Mark Crisman: Rational antimicrobial usage | Abstracts in similar topics 4 × 15 minutes | |
| 18:00-18:30 | 30 min | Annamária Nagy: What have we learnt from MRI of the carpus and proximal metacarpal region | 30 min | Michael Hewetson: Diagnostic approach to chronic diarrhea in the horse | | |
| | | <i>MODERATOR: Dr Ravi Reddy</i> | | <i>MODERATOR: Dr Gábor Bodó</i> | | <i>MODERATOR: Dr Gary Norwood</i> |
| 18:30-19:00 | 30 min | Closing ceremony – where will the next WEVA Congress be? | | | | |
